

### What is your gender?

127 out of 127 people answered this question

1	Female	112 / 88%
2	Male	14 / 11%
3	Other	1 / 1%

### Which method of conception was used in your birth?

127 out of 127 people answered this question

1	Donor sperm	125 / 98%
2	Donor egg	2 / 2%
3	Donor embryo	0 / 0%
4	Donor sperm and egg	0 / 0%

### What is your family arrangement?

127 out of 127 people answered this question

1	Heterosexual parents	105 / 83%
2	Single parent	13 / 10%
3	Lesbian/gay parents	9 / 7%
4	Other	0 / 0%

### Did you grow up with any siblings who are donor conceived?

127 out of 127 people answered this question

1	No	74 / 58%
2	Yes, from a different donor	39 / 31%
3	Yes, from the same donor	18 / 14%

### How did you learn you are donor conceived?

127 out of 127 people answered this question

1	I found out from a DNA test	33 / 26%
2	My parents told me as a child	33 / 26%
3	My parents told me as an adult	32 / 25%
4	My parents told me as a teenager	15 / 12%
5	Other	9 / 7%
6	I found out from another relative	5 / 4%

For the sake of brevity, this survey uses the term "donor". What term do you use for the person who contributed 50 percent of your DNA?

127 out of 127 people answered this question

1	Biological father	71 / 56%
2	Sperm donor or donor	69 / 54%
3	Donor father	24 / 19%
4	Father	19 / 15%
5	Other	12 / 9%

At what age did you become interested in knowing more about your donor?

127 out of 127 people answered this question

1	In my 20s-30s	78 / 61%
2	As a teenager	28 / 22%
3	In my 40s-50s	9 / 7%
4	Early childhood	8 / 6%
5	N/A I am not interested at this time	4 / 3%
6	60+	0 / 0%

At what age did you become interested in knowing more about your donor siblings/other family members?

127 out of 127 people answered this question

1	In my 20s-30s	85 / 67%
2	As a teenager	16 / 13%
3	In my 40s-50s	11 / 9%
4	Early childhood	10 / 8%
5	N/A I am not interested at this time	5 / 4%
6	60+	0 / 0%

### Have you taken a DNA test?

127 out of 127 people answered this question

1	Yes	116 / 91%
2	No	7 / 6%
3	No, but I plan to	4 / 3%

### If you have taken a DNA test, what were you interested in learning more about?

121 out of 127 people answered this question

1	Finding family members (donor or donor siblings)	98 / 81%
